

Meet. Share. Spark Innovation.

Dear Colleagues,

We offer the following resources to spark conversation and innovation in 15 minutes or less. These “sparks” can be used as food for thought or to encourage conversations among peers.

March Topic: Classrooms as the Third Teacher

David Jakes, a highlighted speaker at the 2017 ISACS Annual Conference, offers provocative thinking and current research regarding learning spaces and redesigning schools for the 21st century. Use this month’s Spark to consider how space influences what happens in your classroom or school!

Videos:
