

Meet. Share. Spark Innovation.

Dear Colleagues,

We offer the following resources to spark conversation and innovation in 15 minutes or less. These “sparks” can be used as food for thought or to encourage conversations among peers. A new addition to the Spark will include resources to encourage conversation around the topics of equity, justice, and inclusion. We hope this regular Spotlight on Equity and Justice will be helpful.

March's Topic: Commitment in Leadership

Being a great leader is having a genuine willingness and true commitment to lead others to achieve a common vision and goals through positive influence. No leader can ever achieve anything great or long-lasting by working alone. See how teamwork can contribute to powerful leadership.
